### MESSAGE

*Nestled in the very heart of the historic town of Uluberia, the Uluberia Institute and Library stand today, after a long and illustrious journey, as one of the foremost institutions devoted to the pursuit of art, literature, culture, and social responsibility. Radiant in its own glory, this institution has become a beacon of inspiration, and as a committed cultural worker associated with it, I feel deeply honoured to share in this collective pride—an enduring legacy for generations yet to come.*

*As this century-old, light-bearing institution steps forward into the future, I hold, with firm conviction, the same faith as all well-wishers—that through our united companionship, its days ahead will shine ever brighter, enriched with new colours and possibilities.*

*Charaiveti — Onward, ever onward.*

*With heartfelt greetings and artistic salutations,*

*Ranjit Kumar Raut.*
